

Dear Fellow Berkeley Alumni:

Our local alumni group has had a busy year. During the summer of 2009 we had a very successful poolside barbecue at Sue Crandell's for entering Cal Freshmen that fall semester. In the spring we had our annual dinner at Riverview Country Club with Dr. Robert Hirst as a speaker. He also spoke at the Redding Library as part of our Community Outreach Services to Cal. In cooperation with the Turtle Bay Forest Council we sponsored a lecture & field trip with Dr. Bill Libby of the Cal School of Forestry. We had some football game viewing get togethers, and some of the board members staffed the pledge phones at KIXE.

Something exciting that has happened is that we have established a new local scholarship. In cooperation with Shasta College, we have set up a \$1,000 scholarship for a transferring student to the University of California at Berkeley for the Fall Semester of 2010.

Students will apply through the Shasta College system. Our scholarship committee will review the applications and interview the finalists. The scholarship will be paid out by Shasta College upon registration in the fall semester. We really would like to help local students who are transferring to Cal. We hope that in time our fund will grow, so that we are able to either award more scholarships or a larger scholarship. Please consider making a tax-deductible contribution to this fund. The Northern C's board hopes that local alumni will support this endeavor. This does not replace the Dick Asbill scholarship fund. The University controls those moneys and creates the parameters in donating scholarships.

Yours truly,

Dick Roseberry, President

Vera Cecchi, Vice-President/Scholarships
